OUR HERITAGE
Our Story
Apex of Serengeti was born from a deep love for Tanzania's wild landscapes and rich cultural heritage. We are a locally owned and operated safari company based in Arusha, the gateway to the Northern Circuit.
Our name represents the 'apex' wildlife family — lions, leopards, and cheetahs — symbolizing strength, balance, and the premium experience we deliver to every guest.

OUR GOALS
Mission- Vision
Tourism rooted in conservation, culture, and purpose — creating positive impact for people, wildlife, and Tanzania's landscapes.Beyond Safari, Into meaningful travel.
Our Mission
To provide authentic encounters with nature, culture, and purpose — shaped by Tanzanian heritage. We create meaningful travel experiences that benefit our guests, our communities, and the ecosystems we operate in.
Read More
OUR VISION
To become the leading voice for responsible, community-driven tourism in East Africa — proving that survival fuels thriving when tourism serves both people and wildlife.
